

AMBER MOFFETT

Melbourne, Australia | moffett.amber@gmail.com | [linkedin.com/in/amber-moffett](https://www.linkedin.com/in/amber-moffett)

SUMMARY OF QUALIFICATIONS

- **Research expertise:** Nearly a decade of applied research experience focused on democracy, rights, and governance (DRG) in conflict-affected environments. Specialized in qualitative methods, with a strong understanding of quantitative approaches.
- **Research leadership and management:** Director-level experience designing, leading, and managing multi-million-dollar USAID-funded research portfolios in conflict-affected settings, with project management and research roles on World Bank, UNICEF, and African Risk Capacity (ARC) projects. Proven ability to lead international teams and ensure methodological rigor.
- **Thematic and regional expertise:** Democracy, rights, and governance (DRG), with doctoral research in international relations at the intersection of hegemony, autocratization, and world order. Extensive experience in fragile and conflict-affected environments, including Myanmar, Ethiopia, and Sudan.
- **Communication:** Experienced presenting complex research findings to diverse public- and private-sector audiences; skilled in developing training and educational materials.
- **Languages:** Native English, Advanced-Intermediate Spanish, Intermediate French, Beginner Thai

EDUCATION

PhD, Political Science and Government — Monash University, Melbourne

Feb 2026 – Oct 2029 (expected) | Research focus: international relations; hegemony, autocratization, and world order

M.A., International Development — Josef Korbel School of International Studies, University of Denver

June 2017 | Concentrations: post-conflict gender equality, forced migration

Master's thesis: Mechanisms to Post-Conflict Gender Equality

B.A., Theatre, Film and Television — University of Colorado Denver

May 2009

PROFESSIONAL EXPERIENCE

Senior Gender Specialist (Consultant)

World Bank Group, Global Shield Financing Facility | Jul 2025 – Present

- Provide strategic and operational gender advisory support, integrating gender-sensitive approaches across disaster risk finance and insurance (DRFI) initiatives in fragile and climate-vulnerable contexts.
- Review GSFF-funded project proposals from a gender perspective, advising Task Teams on practical entry points to strengthen gender integration in design, implementation and monitoring frameworks.

Project Coordinator

Monash Global Peace and Security (GPS), part-time | Aug 2026 – Present

- Coordinate the hub's communications strategy, including producing and distributing a regular newsletter and managing website content for the research hub.
- Identify funding opportunities aligned with hub priorities to support ongoing grant and proposal development.
- Plan and coordinate the hub's annual research meeting, managing logistics, agenda development, and participant coordination.

Director of Research

The Cadmus Group | Feb 2024 – Jul 2025

- Designed and led a strategic research portfolio for a \$60 million USAID-funded contract in a conflict environment, ensuring alignment with project priorities and policy objectives.
- Produced approximately 30 research products, translating findings into strategic insights for public- and private-sector stakeholders.
- Managed a team of international researchers and subcontractors, providing technical oversight and ensuring methodological integrity across all deliverables.

American Institutes for Research (formerly Kimetrica)

Senior Researcher (promoted Apr 2023); Research Analyst and Gender Specialist (promoted Aug 2019); Project Administrative Assistant | Dec 2017 – Feb 2024

- Directed the \$3.4 million USAID-funded Myanmar Analytical Activity (MAA), overseeing production of 300+ research products on governance, economic development, women's rights and inclusion, and ethnic rights.
- Provided leadership and technical review across other multi-million-dollar research activities, including Food Security and Third-Party Monitoring (Sudan), FEWS NET, and the ARC Senegal process evaluation.
- Led business development and institutional capacity-building, including capture for a \$15–20 million USAID proposal and development of institutional systems supporting gender mainstreaming.

Human Trafficking Center

Graduate Associate Director (promoted May 2016); Research Assistant | Oct 2015 – Jun 2017

- Managed a team of 10 research assistants developing and implementing strategic program priorities.
- Conducted quantitative and qualitative analysis of US Trafficking in Persons reports, coding 154 variables with an error rate under 2%.

International Organization for Migration (IOM)

International Development Fund Intern | Jun 2016 – Aug 2016

- Designed and conducted an evaluation of climate migration projects examining impact and sustainability.

WORKS IN PROGRESS

“Crisis of Adaptation, Crisis of Survival: The Differential Global Impacts of US Illiberalisation.” Working paper.

CONFERENCE PRESENTATIONS

- “Crisis of Adaptation, Crisis of Survival: The Uneven Consequences of US Illiberalisation.” Monash School of Social Science Graduate Research Symposium, Clayton, Australia, September 2026.
- “Crisis of Adaptation, Crisis of Survival: The Differential Global Impacts of US Illiberalisation.” Australian Political Studies Association Conference, Geelong, Australia, November 2026 (forthcoming).
